INTRODUCING

a better borrowing experience

cloudLibrary

How can we improve the checkout experience with mobile technology?

What did I borrow?

When do I need to bring it back?

Where is my library card?

A helpful assistant for physical selfCheck users

- Interactive receipts and reminders for selfCheck transactions
- No longer lose or search for a receipt again

Interactive receipts for physical loans help you stay organized

- See a full history of your reading activities since downloading the app
- You can favorite, mark as read and sort/filter
- View and cancel current hold items
- Renew currently borrowed materials
- Receive due date reminder notifications

My Book Bag. The best way to prepare for your next trip to the library.

- An actionable packing list that's both functional and fun
- Helpful color coded due dates ensure upcoming returns aren't forgotten
- Great for parents with kids who checkout multiple books during each visit
- You can mark items as they place them into their physical library book bag

cloudLibrary

The most powerful library receipt ever.

- Once downloaded, print books will appear in one place along with digital titles, if cloudLibrary content is activated
- Actionable buttons help you manage loans and reading history
- Sort books, mark favorites and action items with ease

cloudLibrary

Dynamic home screen with relevant notifications

- Virtual Library Card front and center
- Switch between accounts with ease
- Reminders including borrow activity, due dates and account balance
- Customizable notifications

cloudLibrary

A personalized app library lovers will adore

| Get creative with genre based avatars and custom color themes

A simple, in-app smartphone checkout experience

- Quickly and easily borrow physical titles from any device
- Fastlane station unlocks security
